Dear Patrons and Benefactors,

We always look forward to seeing you at our annual banquet. Unfortunately, due to the rise in numbers of COVID cases, it would not be safe for us to gather in person this year.

We want all of you to remain safe and healthy. Therefore, with the recommendation of our medical community, we are canceling our banquet and will have a virtual event, similar to the one many of you participated in last year.

**VIDEO PRESENTATIONS:** Our theme this year is “Embracing Life!” and we have a series of videos we will make available, and we invite you to log in and watch them. Abigail Borah, Director of Education & Strategic Partnerships at St. John Paul II Life Center in Austin, gives a very powerful and inspirational message about choosing life. In addition, some of our current and former clients will share their feelings about how the shelter has helped them and positively affected their lives.

**VIRTUAL AUCTION** January 31 through February 4. We will have a 5-day virtual auction with some incredible items, such as two tickets and a two-night hotel stay to see Elton John in San Antonio!

**BUCKET RAFFLE** tickets can be purchased from now until February 7. This is always a great opportunity to win fun and fabulous items. Winners will be announced on February 10, 2022.

**BANQUET TICKETS.** For those who have already purchased banquet tickets, you have three options. You may request a refund. You can also convert them to the purchase of raffle tickets. A third option is to use the tickets or tables you bought as a donation to OLAMS. If you bought tickets, OLAMS staff will contact you, or feel free to reach out to us with your wishes.

**WEBSITE.** Log onto [www.ladyoftheangels.org](http://www.ladyoftheangels.org) to donate or to find out information about the above events.

All of what we do would not be possible without our family of generous donors, such as yourself, who continue to support us! We still need your help to continue serving these women throughout their pregnancies and with their post-delivery needs. Every donation, regardless of size, makes a difference.

With your help, our goal is to never have to tell a homeless, pregnant woman: “There is no room in the inn for you.”

God bless you for your support, and with great appreciation for your kindness,
